

Our Extended Warranty Program

GET UP TO 6 YEARS OF COVERAGE WITH JULABO SHIELD EXTENDED WARRANTY

JULABO Shield protects you from having to pay for repairs traditionally covered under warranty, including defects and malfunctioning parts. It also includes free shipping, labor, and priority service to ensure you get your JULABO back and in top working condition as soon as possible.

JULABO SHIELD EXTENDED WARRANTY INCLUDES:

-  Replacement of malfunctioning parts
-  Labor
-  Shipping of the unit to & from our service center
-  Priority service to fast track repairs
-  Cleaning
-  Calibration
-  Software & firmware updates
-  Proactive replacement of worn parts

HOW DOES JULABO SHIELD EXTENDED WARRANTY WORK?

JULABO Shield extended warranty is exactly the same coverage as our standard warranty. You simply choose how long you want to continue your warranty coverage.

Choose to extend your warranty for 1 year, 2 years, 3 years, or 4 years.

JULABO Shield is available on any unit less than six years old, even if your standard warranty has already expired and begins immediately upon payment of the invoice.
