

Get Your JULABO PRESTO® Now—and Pay Over Time!

Access our top-of-the-line PRESTO temperature control units with convenient, fixed monthly payments. Now, you can manage your budget as efficiently as we manage temperature control.

Available in the United States only.

Why Choose JULABO Subscription®?

- You might have forgotten to budget for temperature control processes or equipment upgrades.
- You have an unexpected need for a new and powerful chiller.
- You are looking to test a PRESTO on a complex application over time before committing to the total costs.

How it Works

Fixed Monthly Payments

Enjoy predictable billing without increases or surprises.

Flexible Terms

Start with a 36-month plan and extend up to six years as needed.

Easy Cancellation

Free cancellations after the initial six months with a 60-day notice.

Seamless Renewals

Keep your setup going without interruption with automatic renewals from 36 months up to six years.

End-of-Term Flexibility

When your term ends, choose what suits you best—renew your subscription, buy your PRESTO, return it to us, or upgrade and start another subscription!

Additional Perks & Benefits

Get peace of mind with extended warranties and accessories.

Enjoy all the advantages of JULABO Shield, our extended warranty program, including complimentary shipping to and from your location for warranty repairs, and for the initial shipment to your site.

Customize your subscription to include essential accessories like fluid and tubing.
